ALL 90 MINUTES

AROMASOUL BODY SCRUB

This treatment commences with a volcanic dust full body scrub eliminating dry skin and tiredness. Enjoy a steamy shower before a full body massage working especially on your areas of concern. Perfect for the exhausted traveller that needs to be revitalised.

MATAKAURI FACIAL AND BACK MASSAGE

Our Matakauri facial is combined with a relaxing or remedial back, neck and shoulder massage to create both a beneficial and rejuvenating spa experience. Just the treatment for those short on time or unsure which of our spa treatments to choose.

LANOLIN REHYDRATION TREATMENT

The ultimate treatment for dehydrated skin. This treatment starts with a full body massage concentrating on your areas of concern. Complete your treatment with an application of rich Lanolin Cream, made here in New Zealand. Hydrate dry and tired skin.

BACK SPECIFIC MUD TREATMENT

This treatment is perfect to relieve those sore and aching muscles. An application of self heating mud is applied to the back which will alleviate muscle tension and pain. Once this has worked its magic, it is removed with hot towels and followed by a full body massage concentrating on your areas of concern.

HOT STONE MASSAGE

This massage is a soothing, ritualised treatment for relaxation. Heated basalt stones are placed on the body and used as an extension of the therapists hands to melt away stress and muscle tension.

MASSAGE

60 OR 90 MINUTES

All our treatments begin with a full consultation as each massage we offer is customised to meet the specific needs of each guest.

Please communicate any special health conditions to your therapist in order to maximise the benefits and enjoyment of your treatment.

RELAXATION MASSAGE

Combining varied styles of massage, your therapist will use light, medium or firm pressure to transform a traditional massage into a personalised treatment to promote body and mind relaxation.

DEEP TISSUE MASSAGE

Using firm to deep pressure and attention to trigger points, this massage effectively loosens tight muscles and releases accumulated tension.

PREGNANCY MASSAGE (ONLY AVAILABLE AS 90 MINUTES)

With special care, our relaxation massage is transformed into a full body experience for mothers-to-be in their second or third trimester. This massage is performed in a side lying, supported position using pregnancy safe products and techniques.
